## **Summary of Benefits and Coverage:** What this Plan Covers & What You Pay For Covered Services 4<sup>th</sup> District IBEW Health Fund: Building Trades Plan: Healthy Life Program Early Retiree

The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage call 1-888-466-9094. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can view the Glossary at <u>https://www.cms.gov/cciio/index.html</u> or call 1-888-466-9094 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	For <u>network providers</u> , \$550 individual /\$1,650 family; for <u>out-of-</u> <u>network providers</u> , \$1,100 individual/ \$3,300 family. * <i>Certain Out-of-</i> <i>Network claims are treated as In-</i> <i>Network claims as required by No</i> <i>Surprises Act.</i>	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible?</u>	Yes. <u>Preventive care</u> services and in- <u>network</u> outpatient <u>diagnostic</u> <u>tests</u> are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive</u> <u>services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> .
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-</u> <u>pocket limit</u> for this <u>plan</u> ?	<u>Medical</u> : For <u>network providers</u> , \$3,000 individual/\$6,000 family; for <u>out-of-</u> <u>network providers</u> , \$9,500 individual or family. <u>Prescription</u> : For <u>network providers</u> , \$4,600 individual/ \$9,200 family. * <i>Certain Out-of-Network claims are</i> <i>treated as In-Network claims as</i> <i>required by the No Surprises Act.</i>	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.

What is not included in the <u>out-of-pocket limit</u> ?	Premiums, penalties for non- compliance, <u>balance billing</u> charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.			
Will you pay less if you use a <u>network</u> <u>provider</u> ?	Yes. See www.highmarkbcbs.com or call 1-800-810-blue for a list of <u>network providers.</u> *Out-of-Network providers may be treated as In- Network providers as required by No Surprises Act.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan</u> 's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider</u> 's charge and what your <u>plan</u> pays ( <u>balance</u> <u>billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.			
Do you need a <u>referral</u> to see a <u>specialist?</u>	No.	You can see the specialist you choose without a referral.			

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
